OSARUS BREEZE-UP ON THE MOVE

The Osarus Breeze-Up Sale will change location in 2015 from the all-weather track at Pornichet to La Teste Racecourse. Emmanuel Viaud of Osarus explained *“We have decided to bring the sale back to La Teste, where we held our first Breeze-Up Sale in 2010, for two reasons. The first of these is for financial reasons as we have invested a lot of money in the facilities at La Teste so we need to make the most of them now. The second reason is part of the identity of Osarus which has always been associated with La Teste and the South West of France.”* Vendor Alban Chevalier du Fau of the Channel Consignment was in agreement that this is a positive move for the sales agency; *“The horses will breeze on the grass track at La Teste which is more selective than the all-weather track at Pornichet and makes it easier to judge them. The facilities at La Teste allow us to work comfortably and the location is also more accessible. This is proof once again that Osarus are continually trying to improve.”* Sally Ann Grassick
