SPANISH owner Alberto Remolina-Diaz became the second recipient of the €6,000 Osarus bonus when Ultime Bere won the Prix Aquae Tarbellicae at Dax in France on April 25.

The bonus is awarded to the owner of the first winning graduate of the Osarus yearling sale at La Teste de Buch in September.

Remolina-Diaz, who is based in the north coast of Spain, purchased Ultime Bere, a son of High Yield, at last year's La Teste yearling sale for €12,000. He was bred and consigned by Alain Regnier, who stood High Yield at his Haras de la Haie Neuve in France prior to the stallion's death in 2007.

Osarus will hold the third renewal of their yearling sale at La Teste de Buch on September 16.
